

Adopt-a-Family

A Holiday Campaign Sponsored by Community Services for the Developmentally Disabled

Make A Wish Come True this Holiday Season

The Parents and Youth Program from Community Services for the Developmentally Disabled is coordinating our annual Adopt-a-Family campaign benefiting low-income families served by the Agency.

Businesses, civic groups and families are encouraged to participate by donating new gifts for children and adults. Community Services can provide donors with a family profile, including a Wish List and clothing sizes to fulfill holiday hopes. Gifts of new gloves, hats, and coats are always needed.

For more information – please contact:

Tammie Schreiner at 883-8002 ext 457 or TShreiner@csdd.net
