Please fill out the entire waiver, even if you are a past participant. The form was revised for the winter session. Parents do not need to be in the pool for the child's lesson. However, if the child wishes to participate in free swim before or after class, the parent must go in the pool with the child. This is for safety.

Does the participant have any physical limitations in the following categories? If yes, please explain. Muscle coordination, muscle strength, breathing control, speech, hearing, sight, attention span.

Hobbies and Interests. Knowing a child's hobbies and interests may give the instructor a conversation topic with the child if he/she is afraid of swimming.

Au-Some Swimmers Winter 2016 Session Parent / Guardian Information

Parent Last Name: _____

Phone Number (In Case of Emergency): _____

I, the parent / guardian, understand the JCC of Greater Buffalo is not liable for any lost, stolen, or damage to items that occurs at the Holland Family Building. I waive all claims for damage, loss, or theft of property arising out or in connection with the use of all JCC facilities (including parking lots). Vacant lockers are available in the changing rooms. It is recommended that participants bring a lock and store their personal belongings in a locked locker. The JCC does not provide locks.

My child will use all JCC facilities and participate in all JCC activities knowing there is a risk of injury or death. The JCC is not responsible for participants' injuries or death.

Photo Release. Eric Poniatowski will take photographs of the children and the instructors during the classes to include in a report for the JCC of Greater Buffalo. Photos will be shared with the grant funders in reports, on the JCC website, JCC facebook page, and JCC print publications.

We are not able to offer make up classes for classes you miss.

While the instructors are scheduled to work the lessons every week of the session, your child may have a substitute instructor at any time because their regular instructor has personal commitments to fulfill outside of the JCC. Thank you for understanding.

Family Swim Waiver

Parents and siblings of the participant are welcome to open swim during the child's swim lesson and after the class. If the family would like to take advantage of this opportunity, please list all family members that will participate in open swim and sign the waiver below. A parent must accompany all children under 10 years old in the pool. A parent must accompany a child diagnosed with autism in the pool during free swim, not the lesson, regardless of the child's age. For safety, people not able to swim independently in deep water must stay in the shallow end.
