Preparing for Employment

Vocational Rehabilitation: How, Why & When Part 1

Join Us

Families, Young Adults with Disabilities &
Adult System Representatives
presentation by NTACT-The Collaborative

We will discuss:

- Why, when, and how students and youth can access pre-employment transition services and/or VR services.
- The difference between pre-employment transition services and Vocational Rehabilitation Services.
- What is an Individual Plan for Employment (IPE) and the role students, youth, and parents play in the development of it.
- knowledge of important and often used jargon related to transition.
